The Importance of Reading

- I ask that students read an average of three hours per week.
- While they will not get a grade for reading, there will be assignments tied to their independent reading.
- It is also extremely difficult for students to become better readers and writers if they are not reading around thirty minutes per day.
- Students should have set up a goodreads account and added me as a "friend." This will help me keep track of their reading and book reviews.

Jackson Lee - History

Active Learning

- Mr. Lee reflects a lot on how to best teach his students.
- This course uses methods that require students to be constantly participating everyday.
 - Think/Pair/Share, Role Playing, Peer Review, Discussion, Game Based Learning, and more.
- In addition to teaching content, Mr. Lee also hopes to teach all his students a set of skills. These skills will be what people need in life and what employers look for.

Tests and Quizzes

There will be a test at the end of each unit covered. Quizzes will be administered throughout the unit of study. All work must be shown on tests and quizzes for full credit. Each student is allowed to RETAKE one unit test per quarter, and the RETAKE score will replace the previous score. There will be a deadline each quarter for retake, announced by progress report period of each quarter.

Ahmad Hameed - Math

A screenshot of a Microsoft PowerPoint presentation titled "Back to School Night Slides - PowerPoint". The presentation is displayed in a window with a red title bar. The slide being viewed is titled "CLASS POLICIES" and contains two bullet points. The left sidebar shows a table of contents with six slides: 1. MR. HAMEED'S MATH CLASS, 2. CONTACT INFORMATION, 3. ABOUT ME, 4. CLASS MATERIALS, 5. CLASS POLICIES (highlighted with a red border), and 6. GRADING. The bottom right corner of the slide shows a small video feed of a man, presumably Ahmad Hameed, speaking. The status bar at the bottom indicates "Slide 5 of 10".

Instructions at a glance

Instructions:

- 1) Join Google Meet at the assigned time, mute your mic once you have entered. (Friendly reminder: languages that are not appropriate in a classroom setting will also not be appropriate in chat either).
Period 7 - 1:59-2:50

Meet link is here:

2) we'll spend the first 10 minutes of class looking at the survey data.

3) Open 2 tabs on your web browser: one for Google classroom, the other for Clever

4) Sign-in to your student clever account if you have not already

5) In your Clever account, there is an "Big Ideas Math" icon; if you have trouble locating it, look at the picture attached.

6) Click on "Big Ideas math"; this will take you to your classwork/homework platform for this class

7) Complete "Sample assignment" on Big Ideas math, then SUBMIT your assignment.

8) Beginning NEXT week, classnotes, and class lecture will be posted on Google classroom, read the notes, and watch the lecture BEFORE going on Big Ideas Math to complete your assignment.

Homework: not tonight.

Use this comment for questions about the work with your teacher AND your classmates.
