KEEP ON MOVING.....back to Korematsu!!!!!!!!!!!!

Hi, to EVERYONE!!!

I have included in slide three the video of our plans for the First Semester.

We are moving along very well under the circumstances, and I commend you and your children for really giving this project a great effort and lots of perseverance.

I try to be as flexible as possible and the students have responded very well. They are masters of the Internet Universe and I try to drag them away into the World of Exercise each day. The routines are simple and really get the boys moving. Please review the video and observe the modifications and requirements in slide 5 that the boys are expected to follow to have continued success this Semester.

SEMESTER 2. Simple,simple,simple and FUN,fun,fun!!!!!!!!!!!!

1. Everything is going to schedule. We are currently doing one workout directed by me each week and one with the Body Coach-(ask your child to show you -Amazing free workouts for ALL of the family to share).
2. Friday/Weekend/None P.E.day workouts are expected. The boys must complete at least 30 minutes of asynchronous work per week. This is when they get CREDIT for workouts they complete outside of school. Currently, the boys are keeping a weekly log which is due to be turned in every few weeks.(This is how they get credit for doing fun activities with their families and friends. Or with a sports team or activity club.) The asynchronous work is secondary. Class work is primary.
3. THE BOYS ARE GRADED BASED ON ATTENDANCE AND BEING ACTIVELY INVOLVED IN EACH CLASS-(I observe and monitor this by observing them in the mini screens during class. If I cannot observe them I cannot assess them).
4. I am not planning on having the boys to make any videos at this point in time. I may in the coming weeks require ALL students who do not come on screen to provide videos of class work, turned in to me on a weekly basis.

SPRING AND BEYOND!!!!!!!!!!!!

I am confident that we will return to school at some point in time during Spring. ALL of the P.E. Department want this. We are constantly discussing avenues and possibilities on how to conduct fully functional FUN and safe P.E. classes. The students need the social and emotional interaction with their peers. Until it is safe to do so we will do our best to keep your wonderful children active.

Stay safe and take care.

Mr. CARROLL

Diana Jenkins - P.E.

Tuesday/Thursday

8th grade:

11:30am-12:25pm

7th grade: 1:05pm-2pm

7th graders just finished *E/Deafo* by Cece Bell

8th graders have been reading from the McGraw Hill textbook and read several selections.

Both classes are working on identifying the main idea of a passage, writing complete sentences, and creating paragraphs.

Social Science

Monday/Wednesday

7th 10:30am-11:25am

8th 11:30am-12:25pm

7th graders are studying the middle ages, currently they are learning about the decline of feudalism. They have been seeing connections between the black plague and its effects and our current Covid-19 situation.

8th graders are studying the 13 Colonies and are learning about the rights and governments colonists lived under.

7th Grade Tutorial

Tuesday/Thursday
10:30am-11:25am

On Tuesdays the students meet with Billy Hale, a psychology intern. They work on social skills, connections and more.

On Thursdays the students read aloud to Ms. Kaur, my wonderful aide, check their work, complete missing assignments, practice skills, and do READ180 software.

Thank you!

For letting me work with
your wonderful children.
