

KOREMATSU

Welcome to the 24-25 School Year!

Orientation/Registration

Walkthrough orientation will take place in the Korematsu Multipurpose Room August 8th from 9AM - 3PM. Parents and guardians will be able to purchase PE clothes, take school picture ID, submit outstanding immunization paperwork, and pay any pending fines. If you cannot come at the designated time, try to come at one of the other times. **Please do not worry if your student misses orientation, there will be time during the first weeks of school to take care of these items.**

Hello Families,

The staff at Korematsu Middle School welcomes you to the 2024-2025 school year! We have great expectations for a productive year. The entire staff is looking forward to working with students, parents, and the community to ensure the successful achievement of all our students. As the school year begins, our goal is to continue to create a community of self-sufficient/independent students with an enthusiasm for learning and respect for self and others. Together we will strive for excellence for all our students.

Our draft student schedules will be ready the second week of August and will be viewable using powerschool. The first day of classes will start with an advisory session where students will pick up their final schedule. We encourage students to bring a backpack, pencils, and a tablet the first day. Students will not need to bring their textbooks with them.

We hope our students have had a great summer break and we are excited to start another school year at Korematsu Middle School!

Immunizations:

If your student is missing any immunizations, please make sure the student is up-to-date prior to **August 1st**. Please make sure you email the records to our registrar Mrs. Cheney at: bcheney@wccusd.net. You can also bring the records to the office anytime Monday thru Thursday from 9:00am to 1:00pm

Cell Phone Policy

We all know that cell phones are extremely distracting in the education setting. As a reminder, we have a strict policy regarding cell phones. Our number one goal is to provide students with a quality education free of distractions.

Our policy is simple:

- **Cell Phones** seen on campus will be confiscated.
- **The First and Second** time a cell phone is confiscated students can pick it up from the office.
- **The Third time a cell phone is confiscated** parents will need to pick up the phone from the office.
We cannot mandate a **no cell** phone policy on campus so we are asking you to help us keep the phones off and out of sight during school hours!
